

PHARMACY CONSULTING & SERVICES

PRS has been helping Independent Pharmacies since 1982. As world-wide recognized pharmacy consultants, PRS will provide you with the expertise and experience needed to handle any situation and improve your pharmacy operations. As a leading pharmacy services company, PRS has worked with pharmacies in all 50 states (and internationally) to help you anywhere, anytime, and as the only broker endorsed by NCPA, they have opened, sold or transferred over 500 independent pharmacies nationwide.
